

**Dave Lodding**

President of Donlen Fleet
Management Services

Dave Lodding is President of Donlen Fleet Management Services, a wholly owned subsidiary of Donlen Corporation, and is directly responsible for its strategic direction and day-to-day operations.

Dave joined Donlen in August 1986 and has held numerous positions including Maintenance Advisor, Manager of Product Development, Director, and Vice President.

Dave has been instrumental in the development and expansion of Donlen's Truck Maintenance, Fuel Management, and Accident Management programs. In this capacity, he developed and launched the first-of-its-kind fleet industry National Fuel Card Discount Finder to all customers who are utilizing the Donlen fuel card to further leverage fuel discounts offered through our Fuel Management program.

Prior to joining Donlen, Dave was an automobile technician for General Motors and held ASE Master Technician and General Motors Master Technician status. He also served as a part-time fire department captain/paramedic for more than 20 years.

Dave earned a Bachelor of Science in Business Administration from Elmhurst College and an Associate Degree in Fire Science from the College of DuPage.
