

**Tom Callahan**

President and
Chief Operating Officer

Tom Callahan, President and Chief Operating Officer, is an accomplished executive who brings invaluable perspective and customer focus to Donlen Corporation. Prior to joining Donlen, Tom held a number of leadership positions overseas for a major fleet management company, and utilizes this extensive global management expertise to successfully oversee the client-facing operations at Donlen

Tom's strategic focus is on customer satisfaction and retention and he continuously strives to find ways for Donlen to excel in both areas.

Tom began his career at Donlen as Senior Vice President of Customer Service, overseeing all customer service initiatives. In his capacity as COO, Tom has taken on new responsibilities and challenges, leading many customer-focused departments to increasing levels of success.

Tom has vast experience in the fleet industry, having spent his career prior to joining Donlen at GE Commercial Finance-Fleet Services and Ford Motor Company. He earned a BBA from the University of Notre Dame and Master's degree in Marketing from the University of Wisconsin–Madison.
