

OUTSOURCING BENEFITS

Donlen's flexible Fleet Administrative Services (FAS) program can be tailored to meet your specific needs to provide the utmost benefit for you and your fleet.

ELIMINATE TIME-CONSUMING TASKS

You concentrate on your core business; let us perform day-to-day administrative tasks.

- Corporate vehicle policy development
- Yearly vehicle selection recommendations
- Vehicle ordering and driver ordering
- Surplus vehicle management
- Insurance card management
- Driver surveys and communications
- Vehicle relocation services
- Remarketing services
- FleetWeb® training
- Fleet performance reviews
- DMVR Report
- License and title services

Keeping your fleet operating at peak performance is important to your business and containing cost is critical.

- Fuel program expense management
- Vehicle replacement reports
- Repair and maintenance cost analysis
- Preventive maintenance program review
- Business and personal taxable benefits
- Cost saving analysis

GREATER COST CONTROL
