

# New FleetWeb® functionality is now here!

Stay up-to-date with our new FleetWeb Discovery Splash Screen.

Unlock the power of FleetWeb like never before. You will automatically receive updates when:

- New training videos are posted
- Updates to products occur
- Important announcements are made

In addition, you will receive more detailed information with the click of a button. The Discovery screen looks like this:

This new functionality is now live, so you do not have to sign up for this beneficial service.

**One more way that Donlen's FleetWeb allows you to Get More Done!**

**Data → Donlen → Done!**
