

The all-new OnStar with 4G LTE has arrived.

Discover all the possibilities of OnStar with 4G LTE.

Your super-connected world is now inside your car, thanks to OnStar® with 4G LTE! Using the built-in Wi-Fi® hotspot (if equipped), you can connect up to seven devices at once. So fire up your tablets, laptops and other mobile devices, and bring entertainment along for the ride by streaming your favorite movies, playlists, blogs and more while you're on the go.

Built-in Wi-Fi — Move effortlessly from home to work to anywhere without being disconnected from your world, through a built-in Wi-Fi hotspot.

Multiple connections — Sync up to seven devices to your Wi-Fi at once so everyone can surf, post, tweet and game their way on any journey at 4G LTE speeds.

High speeds — A stronger and more reliable 4G LTE connection makes streaming live video, accessing custom news and entertainment, and using enhanced OnStar service delivery faster and easier than ever.

Outstanding performance

Compared to smartphones, OnStar with 4G LTE offers a stronger, more reliable signal; and it's built-in, so it's easy to use. Plus, it's connected to your vehicle battery, so you're always fully charged for the adventure ahead.

OnStar with 4G LTE Service Plans

Basic Plan

If your 2015 vehicle has OnStar, it includes five years of connection and diagnostics services free, including RemoteLink® Key Fob Services² that lets you lock and unlock your doors, remote-start your car (if factory equipped), honk your horn and flash your lights — all from your phone. Monthly Vehicle Diagnostics³ checks with Dealer Maintenance Notification are also included. If your vehicle has OnStar with 4G LTE, you'll get a high-speed Internet connection and built-in Wi-Fi hotspot. For Emergency and Advisor-based services, see additional plans at onstar.com

OnStar Data Plans

For as low as \$5/month⁴, you can get an OnStar data plan. Our plans range from a one-time data pass to monthly renewal plans to fit your needs. Or, if AT&T is your wireless carrier, you can add your vehicle as an additional line to an AT&T Mobile Share® Value plan.

¹ Visit onstar.com for vehicle availability, details and system limitations. Services and connectivity may vary by model and conditions. 4G LTE service available in select markets. 4G LTE performance based on industry averages and vehicle systems design. Some services require data plan. Vehicle must be started or in accessory mode. ² Access is available for 5 years from the date of vehicle delivery, and is transferable. Does not include any emergency services or other OnStar services. Unlock feature requires automatic locks. To cancel RemoteLink Key Fob Services or if your vehicle is sold, it is important to contact an OnStar Advisor. See onstar.com/mobile for full details. ³ Capabilities vary by model. Visit onstar.com for details and system limitations. ⁴ Plus tax. Credit card payment required for monthly subscriptions.
